

EYFS Curriculum Newsletter: Spring 1

Dear Parents/ Carers,

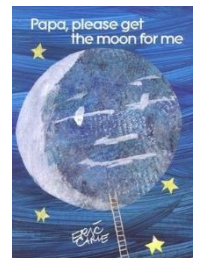

We hope that after a fun filled term with Nativities, Christmas crafts and parties, you and your families enjoyed a restful Christmas break.

We welcome you back to continue our learning journey through the spring term.

To Infinity and Beyond!

This half term's theme 'Earth and Beyond' will see us learning about space, planets, the moon and stars. We will also focus on careers in space and Nasa.

Our special stories this half term are 'Moon' by Britta Teckentrup and 'Papa, please get the moon for me,' by Eric Carle

Make and Bake

Our fortnightly Make and Bake sessions will continue this half term with 'Rocket Fruit Kebabs' 'Edible Rock Cakes' and tasting Chinese food for Lunar New Year.

To contribute toward our 'Make and Bake' sessions, we will again be asking all parents for a donation of £2 per child, per half term.

How can you help?

Sickness

If your child is unwell please remember to let us know, by contacting the school office on:

01159153760

Enriching environment

We are on the hunt for outdoor toys for sand and water play as well as little Tykes cars. If you are soon to be spring cleaning and looking at getting rid of any of the above, please could you consider donating them to school. Many thanks.

Dates for your diary.
