

EYFS Curriculum Newsletter: F1 Summer 2

Dear Parents/Carers,

Welcome back, thank you for your continued support throughout the first part of the summer term. This is our final half term of the year and we have lots of fun activities planned!

Transport

This half term we are learning about 'Transport' and look forward to visits from different vehicles over the course of the term. These include a police car, a fire engine and a refuse truck!

Our special story this half term is 'Driving my tractor' by Jan Dobbins - a book that includes number, animals we have learnt from last half term and a tractor! Best of all it can be sung!

This half term we have also planned opportunities for children to come to school as their favourite emergency service role, (police, doctor, firefighter etc) and hope to celebrate all our learning by boarding Warren EYFS Airways and having an in school beach day!

How can you help?

Summer fun

During the summer, we take our learning outdoors to make the most of the glorious weather.

We advise that children should have a sun hat, and be wearing sun cream to school daily in hotter weather.

Children also have access to fresh water and are encouraged to keep hydrated. Your child may bring a clearly labelled bottle filled with water if they wish to.

Dates for your diary.

Tuesday 20 th June	EYFS and KSI Sports Day. Times TBC.
Friday 23 rd June	Councillor for Climate change and refuse truck visit.
