

## A message from our Headteachers

### First week back!

The children have had a fantastic first full week back at school! They have been getting stuck into their new topics and have been given the opportunities to become historians, geographers and digital citizens – amongst many more! You should also receive a class newsletter and a curriculum overview for your child's class today – we hope you have been able to see what your child is learning this half term!

We have spent time in assemblies this week reflecting further on the life of Queen Elizabeth II, and we learnt about the proclamation of King Charles III too. We thought about the British Value of mutual respect within this. It was also World First Aid Day on Tuesday, and we learnt about how to keep ourselves safe.

We also have asked the children what they would like to do more of at lunchtime. They told us what games and activities they would like to take part in, and we've been able to have outdoor reading on beanbags, giant Jenga and games of bowling set up over the lunch break!

### Achievements this week!

Well done to the following children who have been given a certificate in our celebration assembly today!

**F1:** Nathan & Tyler for settling quickly into the new term and showing they are ready to learn.

**F2:** Kimberley for showing good learning behaviours & Feeona for settling in so well.

**Y1:** Sebastian for an excellent attitude to his learning & Alore for excellent listening, body language and always being ready to learn.

**Y2:** Tyran for excellent learning behaviours & Olly for showing ambition in every lesson.

**Y3:** Ellie-Mae for always doing the right thing & Logan for working really hard and doing the right thing.

We will be taking donations of cake and offering tea and coffee with a small donation to the charity on this morning. We are looking forward to welcoming you!

Please note: The photographs scheduled for next Monday, will now be taken on Monday 3<sup>rd</sup> October.

We would also like to hear your feedback on how the start of this school year has gone for you and your child. We would appreciate you taking the time to complete this very short survey: <https://tinyurl.com/2h45x59y>

The survey will be open until 23<sup>rd</sup> September. Your views are important to us.

Thank you

Mrs Salam and Mr Middleton
