

A message from our Headteachers

Welcome back everyone! We have had a brilliant first week back to start of the summer term with lots happening across our week! We started the National Breakfast Programme in school on Thursday, in partnership with Family Action and the Department of Education. The children will be able to have access to a bagel in school every day to set them up ready for the day! Thank you to Mrs Page for working hard to ensure we can have this provision in school.

Children in F1 and F2 also had an exciting morning on Wednesday, as some real-life chicks that had been delivered to us as eggs had hatched overnight! This is a part of the children's topic on animals this half term. More information about your child's curriculum topics will be sent home to parents and carers next week. Eldana in F2 is also the first child to have reached 50 reads this year! Well done Eldana and keep up the brilliant effort you are putting into reading at home!

Plans for the King's Coronation in school

We think it is important to mark the King's Coronation in school, as this is a significant part of History that our children will remember for many years to come. This is our timetable for our immersive day:

9am – Friday assembly	<i>We will be introducing the significance of the Coronation to the children in assembly. Parents and carers are welcome to join us!</i> <i>PTA Crown Making Competition being held today – more information below</i>
Morning lessons	<i>The children will be taking part in a whole school art project to recreate a portrait of the King in the style of a famous artist!</i> <i>We are looking to showcase our learning in the community. If you know of any places which might be able to help with this, please let Mrs Salam know!</i>
Lunch	<i>Street party style lunch</i>
Afternoon lessons	<i>EYFS/KS1 – recreating the King's Coronation</i> <i>KS2 – Writing letters for the Coronation for a school time capsule which will be buried on the school site</i> <i>Tuck shop ran by the PTA at the end of the day</i>

Finally, we wanted to wish Eid Mubarak to any families or friends in our community who may be celebrating this special time over this weekend!

Thank you, Mrs Salam and Mr Middleton

Warren expectations of attendance	
Expectation/actions	What you need to know
<p>Absence from school</p> 	<ul style="list-style-type: none"> We understand your child may not be well enough to attend school. If this is the case, contact MUST be made with school to share why your child is off school. Communication must be made with school on every day of your child's absence. If we do not receive communication from you on each day of your child's absence, school will try all methods possible to ensure contact is made. If it is necessary, a home visit will be completed by members of the Warren team. This is to ensure we know your child is safe.
<p>Absence request forms</p> 	<ul style="list-style-type: none"> Any other absence from school must be submitted to school via the absence request form. This can be provided for you by the office and it must be completed in a timely manner. School will review the request and decide whether this is classed as an authorised or unauthorised absence. Holidays during term time will not be authorised. Only requests for very exceptional circumstances will be authorised and this will be at the discretion of the Headteacher. The outcome of the request will be communicated with you.
<p>Punctuality and lateness</p> 	<ul style="list-style-type: none"> The start of the school day is 8.50am. The school gates open daily at 8.30am, with the classroom doors opening from 8.40am. If your child arrives after 8.50am, they will be given a late ticket and they receive a late mark if they arrive after 8.50am. All children being on time for school is very important, as learning in the classroom begins from 8.40am. Our registers close at 9.10am. If your child arrives after this time and it is not for a medical reason, they will be marked with a 'U' code, which means they have an unauthorised absence for that session.
<p>Persistently absent pupils</p> 	<ul style="list-style-type: none"> If your child's attendance drops below 90%, they are classed as being a persistently absent pupil. You will be notified in writing if your child's attendance become below 90%. As a school, we have a duty to monitor attendance and we understand that your child's attendance may be lower due to illness. We will track and monitor this over a 4 week period, with the hope that this will improve. You may be asked to attend regular meetings with the school to implement an attendance action plan. If attendance does not improve, the school will refer to the Nottingham City Education Welfare Service. You may receive communication about a fine if attendance does not improve.
<p>Severely absent pupils</p> 	<ul style="list-style-type: none"> A child is classed as severely absent if attendance is 50% or lower. This can be classed as educational neglect and a referral to social care can be made by the school. The Education Welfare team will be notified, a referral may be completed by the team due to concerns about your child's attendance, and you may be issued with a fine.
<p>Help and support for attendance</p> 	<ul style="list-style-type: none"> We want to provide help and support to ensure all pupils can access their learning every day. If you are struggling with attendance, or would like further support with any issues around attending school or being on time, please speak to Mrs Salam, Mr Middleton or Mrs Neat, who will be more than happy to help.
