

A message from our headteachers

Our school vision

We have been working behind the scenes as a staff team on our school vision. We believe that the community at Warren deserve the very best chance at life, and we want to provide those opportunities to all pupils, parents and carers, to fulfil individual potential. We have come up with a design to reflect this and wanted to share this with you.

Our new school slogan that feeds into our school vision is:

We feel that our slogan portrays our high expectations for all pupils at Warren. We will share our new school vision statement with you next week. We hope that many of you can join us for our open coffee morning next Thursday, where you will be able to have a tour of school and look at the learning taking place in the classrooms too.

We have also shared a Parent and Carer Code of Conduct today. We ask for all parents to adhere to this code when on the school site and when speaking with members of the Warren team. We will support you if you have any concerns or worries you have, but in return we ask for respect to all of our staff. If you are communicating via Class Dojo, we also ask for you to adhere to the code of conduct. Staff will respond to any messages between 8am-5pm.

Thank you,

Mrs Salam and Mr Middleton

Achievements this week!

Well done to the following children who have been given a certificate in our Celebration Assembly today!

Y1: Jan for trying hard on his handwriting and st great describing words in English & Oakley for ar behaviour – he is always setting a fantastic exam

Y2: Theodore for being determined in every lesson & Dylan for excellent writing in Geography.

Y3: Mia for super handwriting and trying hard in lessons & Eliyah for a positive attitude to learning.

Y4: Poppy for showing great confidence and determination in all that she attempts & Phoebe for outstanding commitment to learning in all her subjects.

Y5: Keno for dedication to every aspect of his learning & Tymoteusz for showing ambition in his reading.

Attendance

Our attendance target this year for each child to reach is 97%. It is important your child is coming to school every day to reach this target. Here is this week's attendance:

F2: 92%

Y1: 97.8%

Y2: 97.7%

Y3: 97.1%

Y4: 93.6%

Y5: 93.9%

Y6: 89.8%

Well done to Year 1 who have the highest attendance this week!

Key dates

Date	Event
Thursday 29 th Sept	Macmillan coffee morning
Friday 30 th Sept	RAF STEM coding day for Year 5 and Year 6
Monday 3 rd October	Individual and group photo day
WB: 3 rd October	Parents evening – dates to be confirmed.

We also wanted to say a huge thank you to all parents and carers who have completed our initial parent survey. We appreciate it is early in the term to ask you for feedback, but we also want to hear your views.

As a result of the feedback we've received, we are aiming to open the school gates at 8.30am. Classroom doors will continue to open from 8.40am, but this will give any parents and carers the opportunity to stand in the playground to wait. Please ensure your child is supervised during this time if you are waiting for the classroom doors to open. At the end of the day, the gates will open at 3.10pm. We will complete another survey later on in the term to continually seek your feedback.

Macmillan Coffee Morning

We will be hosting the Macmillan Coffee Morning alongside our school open morning next Thursday. Please join us in the school hall from 8.50am onwards for tea, coffee and cake, and then for tours of the school.

We are also going to be hosting a book swap on Thursday, where parents, carers and children will be able to take books from the swap, and then over the coming weeks, bring them back and swap them for another book to read, completely for free.

We have been given books from [Read On Nottingham](#) to add to the book swap, so please have a look and find something new to read!

COVID19 Update

When children and young people with symptoms should stay at home and when they can return to education

Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature and they are well enough to attend.

Children and young people aged 18 years and under who have a positive test result

It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

Goose Fair lunch!

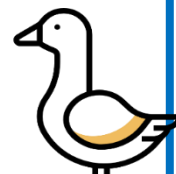

On Friday 30th September, the annual Nottingham Goose Fair will be arriving in Nottingham at Forest Recreation Ground. To celebrate this historic Nottingham tradition, school dinner on Friday will be

Hot dogs/veggie hot dogs

Curly fries and corn on the cob

Ring doughnut
