

A message from our Headteachers

Our school vision, Limitless Opportunity, Endless Potential, has been well and truly lived out in lots of different ways this week.

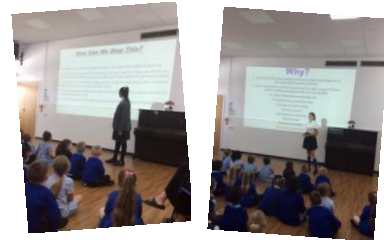

Children in the Year 5 and Year 6 Shine Drama group have been working hard over the last 10 weeks, with their Nottingham Playhouse facilitator, Becca. Together the group has created and rehearsed a performance which they then performed at Nottingham Playhouse on Wednesday evening.

The performance was absolutely brilliant, and each one of the children demonstrated such confidence on the stage. We are so incredibly proud of you all!

The lunchtime leaders have also demonstrated fantastic leadership skills this week. The leaders noticed that there has been a lot of waste in the dining room recently. As a result, they worked together in their own time to create an assembly to deliver to children across school on Thursday morning. They demonstrated what responsible citizens they are and hope to see the impact of their work at lunchtime over the next few weeks.

Finally, Warren hosted a Reading for Pleasure workshop for primary schools from around Nottingham City earlier in the week. Miss Pithers and Mrs Sultana were able to celebrate the amazing work on reading that has taken place in school across this year, and put Warren on the map as a school that reads!

We are very proud of the many achievements across school!
Thank you,

Mrs Salam and Mr Middleton

Emergency vehicle visit for EYFS

Children in EYFS had a visit by five different types of 4x4 emergency responder vehicles on Thursday morning! The children were able to sit in each type of vehicle, try on different items of clothing for each responder, and got to see how the lights and sirens worked too!

A huge thank you to Chloe's mum for organising this very special visit for the children!

Lunch offer on Thursday 13th July

A reminder that on Thursday 13th July, we are not able to offer a hot meal as an option for lunch. We will be able to provide a packed lunch for any children who are in receipt of free school meals, or for any children who request a packed lunch and pay for this option. Please ensure you order a lunch from the school office by Monday 10th July.

Lockdown alarm practice

We completed a practice of the lockdown alarm on Tuesday – the children remained very calm and sensible, and were able to complete the practice of this procedure to a very high standard. Well done everyone!

Lateness and punctuality

This is a reminder that our school gates open from 8.30am-8.50am. There are many parents and carers arriving to school at 8.50am, and this is when the school gates close. If your child arrives at 8.50am onwards, you will be asked to leave your child at the gate for them to make their own way into class. Learning in each classroom has started by this time, and arriving after 8.50am will mean your child receives a late mark in the register.

Please ensure your child arrives at school on time.

Bike hire scheme

If you are a parent or carer who requested to hire a bike from Ridewise via Clasdojo, these will be available in the new academic year for your child. We will be in contact with you in September to let you know the date you can pick up a bike.
