

The next week in school

There is lots happening in school over the next week, so we have created an extra newsletter to ensure you know what is happening and when!

Big Wheel and Walk week

The Big Wheel and Walk starts next week – this is an opportunity to stop using the car, and make an effort to walk, ride or scooter to school! More information can be found at the end of the newsletter!

Science, Books and Breakfast

British Science Week starts next week and we are hosting 'Science, Books and Breakfast' on **Wednesday 13th March** at the start of the school day. Please bring your child to class as usual in order for the teacher to mark your child in the register and take their lunch order. From there, you can join your child in the dining room to take part! We look forward to welcoming you and your child for this event!

Red Nose Day

Next Friday (15th March) is Red Nose Day. We are inviting the children to come in dress in something red for a donation of £1 which will be given to Comic Relief.

We have also included information from the Warren PTA and community news about groups running during the Easter holidays at the end of the newsletter.

Our full newsletter will be sent out to you next Friday as usual.

Please also make sure you are accessing Class Dojo, as many updates and different information is shared regularly on this platform.

Attendance matters

Why is attending school important?

Attendance is a critical factor in determining your child's long term success and future career/job prospects. It is also your child's right to have an education. Parents and carers have a legal duty to ensure your child is able to access a full-time education. Time in school allows your children to be safe and provides access to opportunities they may not be able to access – such as enrichment opportunities and extra-curricular clubs. Please remember that we are here to help, so please speak to a member of the team if you feel you need any support with your child's attendance.

Attendance matters

Attendance processes if your child is absent from school

- All parents and carers are expected to notify school if your child is unable to attend and give reason as to why they are absent.

If your child's attendance is above 90%

- If we do not receive communication from you, a text message will be sent to find out why your child is absent.
- If your child is well enough to attend in the afternoon, we encourage you to bring your child in, as they will receive an attendance mark for the afternoon session.
- We expect for you to continue to communicate with school on a daily basis if your child continues to be absent from school.
- If we do not receive communication from you, a house visit will be completed.

If your child's attendance is below 90% - persistently absent

- If we do not receive communication from you, school will phone you by 9.30am to find out why your child is absent.
- Medical evidence, if your child is absent from school as they are unwell, will be requested from you.
- If medical evidence is not provided to school for your child's absence, we will complete a house visit to discuss your child's absence with you.
- If 3 home visits are made in a term, school will need to consider whether a referral to social services is required due to educational neglect.

Lateness and unauthorised absence

- There has been a significant increase in the number of children that are arriving late to school.
- All children should arrive at school by 8.50am.
- If your child arrives past 9.30am, their attendance for the morning session will be classed as unauthorised, and this will negatively impact their attendance.
- You can receive a fine from the local authority for continued lateness past 9.30am, as this is considered to be unauthorised absence from school.
