

A message from our Headteachers

Welcome back to the start of the final term this academic year! It is a busy term, so please keep reading communication we send out to you over the coming weeks! We want the community to be involved in the exciting things we have planned to finish the year!

A reminder about attendance

Your child's attendance to school on a daily basis is key for them to have the best possible chances in life. Our overall school attendance to date is 92% and we are aware that there has been some illness occurring in classes in the lower year groups of school.

As we go into Summer 2, we ask that you:

- Call every day to notify us why your child is absent from school.
- Talk to us if there is an issue in getting your child to school – we may be able to support you.
- Ensure your child has arrived by 8.50am **at the latest** – this is the time the gate closes.

We also wanted to remind parents and carers that we are not able to authorise holidays that are taken during term-time. This forms a part of our Trust attendance policy. If you have any questions or would like to discuss your child's attendance further, please speak to Mrs Neat – our Family Support Worker.

Arrangements for Sports Day

Warren Sports Day will take place on **Tuesday 20th June** on the school field! There will be a series of different field and track events for all year groups to take part in during the day. Year 6 will be leading the events, and supporting the children to take part in each of the activities.

Parents and carers are welcomed to join us on the day:

- EYFS & Key Stage 1: 9.30-11.30am
- Key Stage 2: 1.30-3.15pm

The children will begin by completing a series of field events such as javelin and welly wanging, and then move over to take part in different types of races, as a part of their class 'team'.

Prizes and awards for individual effort and winning classes will be given out in celebration assembly on **Friday 23rd June**.

There will also be a parent/carer race taking place at the end of each session, so please bring your trainers if you wish to take part! Please bring your own camping chairs/picnic blankets with you if you wish to sit down during the event.

We hope you are able to join us!

Thank you, Mrs Salam and Mr Middleton

Relationships and Health Education

A reminder that children across school will be starting the 'Changing Me' unit within our PSHE curriculum this half term. Communication about the content of these lessons was sent out to all parents and carers before half term. If you wish to discuss these lessons further, please speak to your child's class teacher as soon as possible.

Warren Summer Fayre

Here is a reminder of some of the messages we sent out before half term about the Summer Fayre:

We will be holding a non-uniform day on Friday 16th June in return for children bringing in sweets to school. These will be used for our tombola at the fayre. Please do not donate chocolate as it will melt!

We are looking for donations of soft toys and teddies for a teddy tombola! These need to be in good condition. If you have any donations, please bring them to the school office.

We will be running a Warren Bake Off on the day of the Summer Fayre. The theme of the Bake Off is story books and the challenge is to create cake of any kind based around the theme of a story or book!

Prizes will be given for 1st, 2nd and 3rd place, and all cake will be sold at the summer fayre to raise extra funds!

If you know of anyone in the community or someone who owns a business, who may be able to donate any prizes for our fayre, please let us know!

Enrichment this week

Some pupils in Year 5 have represented Warren this week at different events ran by Nottingham High School. 4 pupils took part in a Physics Competition at the school on Tuesday, and came in second place against other schools in the City! A huge well done to them!

Some other Year 5 pupils also took part in a Harry Potter Science Day at the school on Wednesday! They made their own wands by creating circuits, and dissected Owl poo!

<u>Warren expectations of attendance</u>	
<u>Expectation/actions</u>	<u>What you need to know</u>
<p>Absence from school</p> 	<ul style="list-style-type: none"> We understand your child may not be well enough to attend school. If this is the case, contact MUST be made with school to share why your child is off school. Communication must be made with school on every day of your child's absence. If we do not receive communication from you on each day of your child's absence, school will try all methods possible to ensure contact is made. If it is necessary, a home visit will be completed by members of the Warren team. This is to ensure we know your child is safe.
<p>Absence request forms</p> 	<ul style="list-style-type: none"> Any other absence from school must be submitted to school via the absence request form. This can be provided for you by the office and it must be completed in a timely manner. School will review the request and decide whether this is classed as an authorised or unauthorised absence. Holidays during term time will not be authorised. Only requests for very exceptional circumstances will be authorised and this will be at the discretion of the Headteacher. The outcome of the request will be communicated with you.
<p>Punctuality and lateness</p> 	<ul style="list-style-type: none"> The start of the school day is 8.50am. The school gates open daily at 8.30am, with the classroom doors opening from 8.40am. If your child arrives after 8.50am, they will be given a late ticket and they receive a late mark if they arrive after 8.50am. All children being on time for school is very important, as learning in the classroom begins from 8.40am. Our registers close at 9.10am. If your child arrives after this time and it is not for a medical reason, they will be marked with a 'U' code, which means they have an unauthorised absence for that session.
<p>Persistently absent pupils</p> 	<ul style="list-style-type: none"> If your child's attendance drops below 90%, they are classed as being a persistently absent pupil. You will be notified in writing if your child's attendance become below 90%. As a school, we have a duty to monitor attendance and we understand that your child's attendance may be lower due to illness. We will track and monitor this over a 4 week period, with the hope that this will improve. You may be asked to attend regular meetings with the school to implement an attendance action plan. If attendance does not improve, the school will refer to the Nottingham City Education Welfare Service. You may receive communication about a fine if attendance does not improve.
<p>Severely absent pupils</p> 	<ul style="list-style-type: none"> A child is classed as severely absent if attendance is 50% or lower. This can be classed as educational neglect and a referral to social care can be made by the school. The Education Welfare team will be notified, a referral may be completed by the team due to concerns about your child's attendance, and you may be issued with a fine.
<p>Help and support for attendance</p> 	<ul style="list-style-type: none"> We want to provide help and support to ensure all pupils can access their learning every day. If you are struggling with attendance, or would like further support with any issues around attending school or being on time, please speak to Mrs Salam, Mr Middleton or Mrs Neat, who will be more than happy to help.
