

A message from our Headteachers

Welcome back to the start of our new academic year! We are very excited about the year ahead and have lots planned for the children, parents and carers, and the community to be a part of.

You may have already have seen that we are working together with all stakeholders on our school values. We spent a lot of time last year creating our new school vision: Limitless Opportunity, Endless Potential. We would like our values to best represent this vision and ensure that they have meaning to the children.

We are asking for parents and carers to provide us with feedback and ideas on what our values should be, and would appreciate it if you could complete a short questionnaire to share your views. Hearing your views is important to us. A link to the questionnaire can be found here: <https://forms.gle/MUJQzKpY5H9>

Our hope is that all stakeholders will be able to live out these new values along with the children every single day.

We have also sent out communication to parents and carers regarding the importance of attendance this week. The letter can be found here: <https://warrenacademy.co.uk/wp-content/uploads/2023/09/Attendance-Sept-2023-Letter-1.pdf>

The letter highlights the changes we are making to attendance this year. This includes weekly, half termly, and termly rewards for children and parents as incentives to attend school daily:

When?	What?
Weekly	Attendance-opoly – classes in 1 st and 2 nd place with attendance for that week will roll a dice, and get to move around the board. The class will receive a whole class reward the following week.
Half Termly	A special reward for one class with the best attendance – this will be a visit out of school.
Termly	A prize draw for any child who has 97% attendance and above – this will be 2 individual prizes. <ul style="list-style-type: none"> - A £200 supermarket voucher for parent/carer of a child - A £100 Smyths toy voucher for a child There will also be a £100 Smyths toy voucher for 1 child with the most improved attendance.

We will also be sending out regular communication to you to inform you of your child’s attendance. This will be coloured as green, amber or red dependant on what your child’s attendance percentage is. Our hope that we are able to improve attendance at Warren together!

Thank you. Mrs Salam and Mr Middleton

Planting news!

Earlier in the year, eco-club spent time weeding, digging and planting many new vegetable and wildflower seeds in the quad. This week, Year 6 discovered that lots of baby carrots, and one giant carrot had grown over the summer! We are very proud of the produce!
