

A message from our Headteachers

Welcome back!

Pupils across school have had a brilliant three days back at school for the new academic year. We have been so impressed with attitudes to learning and the respect the children have shown to the new learning environment.

Thank you to everyone who has followed us on Instagram – we really hope you are enjoying the content! If you haven't already done so, please follow us at **warrenprimaryacademy**.

Lots of refurbishment work has happened to the school building during the summer holidays, and the classrooms are looking fantastic. Mr Fletcher has worked tirelessly over the break to make sure this work could take place, so we would like to say a special thank you to him for his dedication.

We will be holding a MacMillan Coffee morning on Thursday 29th September, where we are inviting parents and carers into school to share a tea or coffee, cake and to have a look around our new building. We will share more information about this with you next week.

We are very excited about the upcoming year, and the teachers have planned in an opportunity at the end of this half term for the children to share their learning from Autumn 1 with you.

Thank you for supporting your child to have a positive return to school.

Mrs Salam (Head of School) and Mr Middleton (Executive Headteacher)

School Photographer

The photographer will be in school on Monday 19th September to take photographs of children both individually and with their siblings. If you have any other children who do not attend Warren, but you would like them included in the photograph, please feel free to bring them to the hall at 8.30 am.

Parking Outside School

Nottinghamshire County Council use CCTV cars to enforce parking outside of schools. They visit schools in Nottinghamshire and will record whilst passing, the details of any cars parked illegally. If vehicles are parked in contravention the registered keepers will receive a Penalty Charge Notice. These restrictions are in place to provide a safe area outside of the school where the children will gather or cross the road therefore, we ask for your help in keeping this area free of parked vehicles. The school can request enforcement from the car so, if you have any concerns regarding parking, please notify us and we will arrange for a visit.

Some photos of our new environment!
