

FI Curriculum Newsletter: Autumn 1

Dear Parents/Carers,

Welcome back! We hope you have had a fantastic summer break making memories and are well rested to start an amazing new school year! This term we will be welcoming six new children to our Nursery. Welcome to the Warren family Ruby, John, Joshua, Tanya, Loki and Lydia.

All About Me

This half term's theme 'All About Me' will see us learning about ourselves, our families including our pets as well as looking at the passing of time as part of our understanding the world area of learning. Come and have a look at our baby picture display in class and see if you can match the baby to the child! We have a jam packed half term planned with lots of fun and exciting activities including family stay and play morning where we will dress in our own cultural attire to celebrate the diversity we have within Warren.

Our special stories this half term are 'Super Duper You' by Sophie Henn, and 'The Same but Different Too' by Karl Newson.

How can you help?

Weather

We do a lot of outdoor learning come rain or shine, so please ensure your child has the correct clothing for the weather. Please bring a labelled water bottle in for your child daily so they stay hydrated.

Clothing

We occasionally have accidents in Nursery, so please ensure your child has a bag with spare clothes in school, which they can leave on their peg for the half term. If you have any pre loved clothes to donate to nursery we would love to have them!

Please label all of your child's belongings including jumpers and cardigans.

Play equipment

Due to health and safety, could we please ask that your children do not play on the outdoor equipment before and after school. Thank you

Dates for your diary.

Friday 11 th September	Grandparents afternoon tea
Friday 18 th October	Last day of half term
Monday 4 th November	Back to school

Attendance Matters

It is important that your child is in school every day! Children can come to school with a cough or cold! They soon forget about their sniffles when they are playing with their friends!

Screen Time

Please limit screen time at bedtime - consider having no screen time one hour before bed. Reading a bed time story is best!

Independence

Thank you for supporting us this term with saying goodbye to your little one at the door. It has helped immensely with settling them into nursery life.

Thank you! Miss Bibi
