

Celebrate!

Key text:

Phonics/Literacy

We are learning to:

- Recognise the sounds I m n d and sh, th and ng
- Continue to develop our pencil control.

Maths

We are learning to:

- Use words to describe position and direction.
- Finding number bonds to 5 using a part whole model.

Expressive Arts & Design

We are learning to:

- Using roll and pinch skills to create a clay diva lamp.
- To explore different celebrations through music and dance.

Communication and Language

We are learning to

- Retell familiar stories and key memories of celebrations.
- To show whole body listening, through eye contact.

Understanding the world

We are learning to:

- Retell memories of celebrations.
- Explore different celebrations such as Diwali.
- Describe the changes to the weather.

Physical Development

We are learning to:

- Develop co-ordination skills through dance. We will be sequencing simple moves.

Personal, Social and Emotional Development

We are learning to:

- To begin to recognise our emotions and use the calm corner.
- Form positive relationships and show respect to others
