Nottingham City Week of Attendance Action

As you will already be aware, we have been taking part in the Nottingham City week of attendance action! We have been recognised on social media for the work that we have been doing to take part in this week, and we have the results of the two attendance incentives we have been running. Please see the winners below!

We wanted to say a huge thank you to parents and carers for the significant improvements in attendance this week. We also wanted to say a huge well done to Year 1 who have finally made it onto our attendance-opoly board! We hope that this improvement in overall attendance across school can continue for future weeks to come.

If you need any help or support with your child's attendance, please speak with your child's class teacher, Mrs Neat or Mrs Salam. More information about the Education Welfare Service who can support with attendance to school can also be
