

FI Curriculum Newsletter: FI Spring 2

Dear Parents and Carers,

Welcome back! We hope you had a good half term break. What a very successful start to the year we have had. Our new foundation 1 children have settled in very well and we look forward to being part of their continued learning journey.

Animals

This half term's theme 'Animals' will see us learning about different animals. We will be focusing specifically on pets, nocturnal, zoo, farm animals and sea creatures. We start off our topic with a visit from 'Turbo the tortoise'. Thank you Ida for bringing him into school for cuddles. We will conclude our topic with a trip to the farm.

Our special stories this half term are 'Monkey and Me' by Emily Gravett - about a mischievous little girl and her toy monkey, and Brown Bear, Brown Bear by Eric Carle.

How can you help?

Weather

We do a lot of outdoor learning come rain or shine, so please ensure your child has the correct clothing for the weather. Please bring a labelled water bottle in for your child daily so they stay hydrated.

Clothing

We occasionally have accidents in Nursery, so please ensure your child has a bag with spare clothes in school, which they can leave on their peg for the half term. If you have any pre loved clothes to donate to nursery we would love to have them!

Please label all of your child's belongings including jumpers and cardigans.

Thank you Miss Bibi

Dates for your diary.

Attendance Matters

It is important that your child is in school every day! Children can come to school with a cough or cold! They soon forget about their sniffles when they are playing with their friends!

Screen Time

Please limit screen time at bedtime, no screen time one hour before bed. Reading a bed time story is best!

Independence

Thank you for supporting us this term with saying goodbye to your little one at the door. It has helped immensely with settling them into nursery life.
