<p><u>Geography</u></p> 	<p><u>Rivers and Mountains</u></p> <ul style="list-style-type: none"> - Understand that mountains are all over the world and are steep areas of land with an incline. - Understand that rivers are a body of water that serve a purpose.

- Know the different parts of a river and a mountain.
- Understand the water cycle and how it helps us.
- Know that
- everyone does not have the same amount of water in the world.

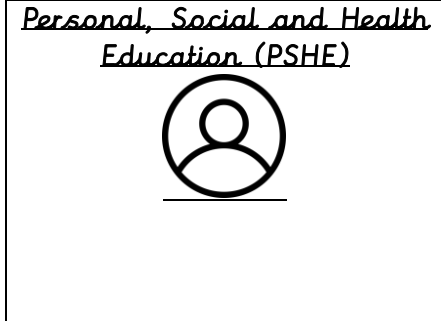

Sculpture
Focus artist: Henry Moore and Robert Benavidez
Outcome: Create a paper-mache sculpture

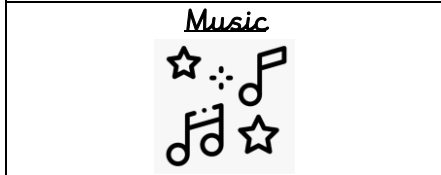

Why is the bible the bestselling book of all time?

- Use maps and historical learning to see how Christianity spread across the world
- Look at the different types of writing within the bible and when it was written
- Find out about how some Christians use their bibles and design a cover for their bible which reflects their beliefs.

Relationships
 What are the ingredients needed for a healthy relationship?

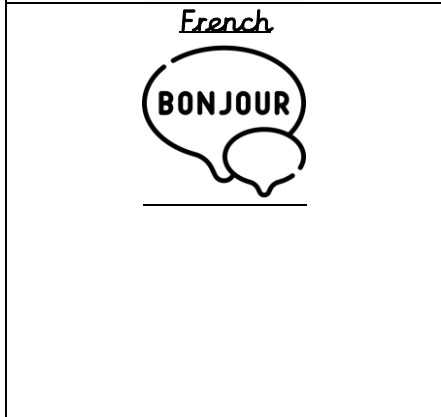

- Explore jealousy and loss/ bereavement
- Identify the emotions associated with these relationship changes, the possible reasons for the change and strategies for coping with the change.
- Revisit skills of negotiation particularly to help manage a change in a relationship.
