

Year 4 Curriculum Newsletter

Spring 2

<p>Welcome!</p>	
<p>PE this half term</p> 	<p>This half term, P.E. will be on Wednesdays. Please ensure children arrive at school on Wednesdays dressed in their P.E. kits.</p> <p>This half term, we are doing basketball outside so please ensure children are dressed in appropriate outdoor kits with trainers.</p>
<p>Key dates for Year 4</p> 	<ul style="list-style-type: none"> • Monday 16th March: Class Trip to Wollaton Hall • Thursday 5th March: World Book Day • Tuesday 10th March & Wednesday 11th March: Parents and carers evening • Friday 20th March: Curriculum showcase to parents in the afternoon
<p>Homework</p> 	<p>Homework will continue to be sent out on Fridays. We have had a huge increase in the amount of children returning their homework so thank you for your support at home! Homework is always additional practise of skills that we have been learning in class so it is important that you're encouraging your child to complete it.</p> <p>We have had a couple of creative homeworks completed for our Greeks topic but we would love some more to display!</p>
<p>Reading at home</p> 	<p>In the Autumn term, every child was sent home with a new reading diary and a reading book in a plastic wallet. It is important that these come to school every day as it means we can listen to the children read and change books when we get chance.</p> <p>If children need a new reading book, please let me know as I don't always have time to check.</p> <p>All children should be reading a minimum of 3 times a week at home with this signed in their reading diaries.</p>
<p>Reminders</p> 	<ul style="list-style-type: none"> • Please make sure it is water only in your child's bottle, this is school policy. • Children need a change of shoes for lunch times to access all areas of OPAL play. This means they bring their shoes to change in to at lunch time - not arriving at school in their wellies to wear them all day.

How can you help at home?

We are nearing our Multiplication Tables Check window. I will be sending out regular updates this half term including how you can help at home and data on your child's current attainment. Please support your child by practising together at home and encouraging them to use Times Tables Rockstars. If there is anything I can do to support you in helping your child, please let me know!

Thank you for your continued support!

Miss Sharp and the Year 4 team
