

Year 4 Curriculum Newsletter - Summer 2

<p>Celebrations from last half term</p> 	<p>Our highlight of the Summer 1 term was definitely our day trip to the River Trent. The children really enjoyed exploring our local river and having a picnic.</p>
<p>PE this half term</p> 	<p>This half term, P.E. will continue to be on Wednesdays. Our topic this half term is tennis.</p> <p>Please ensure children are in our school P.E. kits.</p>
<p>Key dates for Year 4</p> 	<ul style="list-style-type: none"> • 11.06.26 - World Cup Theme Day • 03.07.26 - Sports Day • 10.07.26 - Warren Music Festival • 24.07.26 - Last day of term
<p>Homework</p> 	<p>Homework will continue to be sent home on Fridays and be due in the following Friday.</p> <p>Children will also be sent a new creative homework linked to our new topic: Poland. We had a fantastic range of creative homework for our last topic which are currently displayed on our class wall. I look forward to seeing lots more for our new unit.</p>
<p>Reading at home</p> 	<p>As we move into the summer term, it is important that children continue to read at least 3 times per week at home. Please endeavour to record this in their reading diaries as they can earn tokens for their own books to keep. We already have some children who have earned multiple tokens this year!</p> <p><i>If children need a new reading book, please let me know on drop off or collection!</i></p> <p>All children should be reading a minimum of 3 times a week at home with this signed in their reading diaries.</p>
<p>Reminders</p> 	<ul style="list-style-type: none"> • All children need to wear the correct school uniform every day. With the warmer weather, we are seeing an increase in children wearing items which are not school uniform. • Children should not be wearing any jewellery to school apart from a pair of small studs in their ears.

	<ul style="list-style-type: none">• I am seeing an increase in children bringing small toys from home to school. This can cause upset. Please ensure your child is not packing these things in their bags.
<p>How can you help at home?</p> 	<p>We have now completed our Multiplication Table Check. Thank you SO MUCH for all your support in getting the children ready. It makes a huge difference when children have support from both school and home.</p> <p>Please continue to encourage your child to practise their times tables recall at home as this will support them as they move into Upper KS2 next year.</p>

Thank you for your continued support

Miss Sharp
