

A term of achievements

As we come to the end of another successful year, I am delighted to share some wonderful achievements that reflect the dedication, enthusiasm and hard work of our pupils, staff and wider school community.

We are incredibly proud to have been awarded the **Gold Reading for Pleasure Award**, a prestigious recognition of our commitment to fostering a genuine love of reading throughout the school. Reading is at the heart of everything we do, and this award celebrates the rich reading culture we have created together, where children are inspired to read widely, develop their imagination and discover the joy that books can bring. A huge thank you to Miss Pithers and the wider team who have ensured that the school was awarded this amazing award.

Our commitment to creativity has also been recognised through the achievement of the **Silver Artsmark Award**. This award acknowledges the high-quality arts experiences available to our pupils and celebrates the important role that music, drama, dance, art and wider creative opportunities play in our curriculum. We firmly believe that the arts enrich learning, build confidence and help every child to flourish and we are very proud of this achievement.

Supporting the wellbeing of our children remains a key priority, and I am pleased to announce that we have now become a **Thrive School**. This achievement reflects our dedication to meeting the social, emotional and mental health needs of all pupils. Through the Thrive approach, we continue to ensure that every child feels valued, supported and equipped with the emotional resilience needed to succeed both in school and beyond.

In addition, we have been awarded the **Bronze Inclusive Attendance Quality Mark**, recognising our commitment to promoting positive attendance through an inclusive and supportive approach. Excellent attendance is crucial to children's progress and wellbeing, and this award acknowledges the strong partnerships we have developed with families to help every child access the full benefits of school life.

An extra special thanks to Lewis and Logan, our attendance ambassadors, who have been key in supporting Mrs Neat and the wider team in raising the profile of attendance this year! We will miss you very much!

These achievements are a testament to the collective efforts of our pupils, staff, governors, parents and carers. Thank you for your continued support and commitment to our school community. Together, we continue to create an environment where every child can succeed, thrive and reach their full potential. We hope you have a very restful and fun summer, and we will see you back at school on Monday 7th September.

Mrs Salam

Acting Headteacher

Attendance matters

A message from Mrs Neat – our attendance officer

Attendance is an area we are continuing to work on across the school for this academic year. We hope to continue to see the efforts that parents and carers are going to, to ensure that children are in school every day. Please continue to maintain this in the summer term, to ensure the best possible progress for your child at school.

If you need any help or support, please get in touch with us. We are here to help.

Our attendance target: 96%

Overall attendance to date: 93.80%

Class half term attendance:

F1: 93.68%

F2: 91.71%

Y1: 94.83%

Y2: 93.60%

Y3: 93.62%

Y4: 92.56%

Y5: 95.57%

Y6: 94.40%

Attendance processes if your child is absent from school

- All parents and carers are expected to notify school if your child is unable to attend and give reason as to why they are absent.

If your child's attendance is above 90%

- If we do not receive communication from you, a text message will be sent to find out why your child is absent.
- If your child is well enough to attend in the afternoon, we encourage you to bring your child in, as they will receive an attendance mark for the afternoon session.
- We expect for you to continue to communicate with school on a daily basis if your child continues to be absent from school.
- If we do not receive communication from you, a house visit will be completed.

If your child's attendance is below 90% - persistently absent

- If we do not receive communication from you, school will phone you by 9.30am to find out why your child is absent.
- Medical evidence, if your child is absent from school as they are unwell, will be requested from you.
- If medical evidence is not provided to school for your child's absence, we will complete a house visit to discuss your child's absence with you.
- If 3 home visits are made in a term, school will need to consider whether a referral to social services is required due to educational neglect.

Lateness and unauthorised absence

- **There has been a significant increase in the number of children that are arriving late to school.**
- **All children should arrive at school by 8.50am.**
- **If your child arrives past 9.30am, their attendance for the morning session will be classed as unauthorised, and this will negatively impact their attendance.**
- **You can receive a fine from the local authority for continued lateness past 9.30am, as this is considered to be unauthorised absence from school.**

If you would like to discuss your child's attendance further, please speak to a member of our attendance team. We will provide support to families to ensure your child is able to attend school:

- **Mrs Neat** – Attendance officer
- **Mrs Salam** – Head of School
- **Mrs Ford** – DSL and Inclusion Leader
- **Mrs Curtis** – School Business Manager

Your child's class teacher will also be happy to discuss your child's attendance with you. **We are here to help you!**

Attendance matters

Looking Ahead to Next Year

Everyday counts! We look forward to welcoming everyone back on Monday 7th September 2026, ready for another exciting year of learning and success.

Let's start the year with strong attendance and work together to achieve our whole-school attendance target of 95%. We encourage every child to aim even higher, with an individual attendance target of 96% or above. Coming to school every day and arriving on time gives children the best opportunity to learn, make progress, and enjoy all that school has to offer.

Did You Know? Attendance Matters!

Attendance	Days Missed Per Year
100%	0 days
95%	10 days
90%	19 days
85%	29 days

Missing just a few days of school can have a significant impact on a child's learning and progress. Even two days of absence per month quickly add up over the course of a year.

Let's work together to make 2026–2027 our best attendance year yet!

Lates

To help keep all children safe and ensure our attendance records are accurate, we are introducing a Late Attendance Sign-In Book.

If your child arrives after the school day has started, a parent or carer must come to the school office and sign them in, giving the reason for being late.

This helps us:

- Keep attendance records up to date
- Make sure all children are accounted for in an emergency
- Support good attendance and punctuality

Thank you for your cooperation and for helping us maintain a safe, organised school environment.

Attendance matters

Statutory attendance updates for the DfE

From 19th August 2024, the Department for Education is implementing statutory guidance for school to implement in regards to attendance. A link to the guidance can be found here: [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/working-together-to-improve-school-attendance)

The guidance includes information on the following:

Term Time Holidays

We understand the frustration of holidays increasing in price during school holiday times. However, the impact of taking holidays during the term has a significant impact on the child's achievement and academic progress. It also undermines the school's rich curriculum as key knowledge is missed on their learning journey. From the start of the next academic year, Warren Academy will issue penalty notices for unauthorised term time holidays where appropriate to do so. Please take this into account before booking holidays during term time next academic year - there are 175 non-school days during the year in which to take holidays. As a result of the change in statutory guidance, penalty notices are now more severe, and monitoring is over a 3-year basis. Further information about costs of fines is detailed below.

Unauthorised Absences

Schools must consider all unauthorised absences for a penalty notice. The new threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school day is divided into two registration sessions, AM and PM. If these registrations are missed for unauthorised reasons, it may lead to penalty. Unauthorised absence can be:

- An unauthorised holiday, as explained above
- Reason has not been established as to why the child is absent
- The school is not satisfied that the reason given is one that can be recorded as authorised
- Being late after registers have closed (30 minutes after the start of the school day)

Fines

Whilst there are many changes, one of the most significant changes are around the penalty notices issued for unauthorised attendance. These fines are per parent, per child and have been increased.

First Offence – The first time a Penalty Notice is issued the amount will be:

- £160 per parent, per child, paid within 28 days.
- Reduced to £80 per parent, per child, if paid within 21 days

Second Offence (within 3 rolling years) – The second time a Penalty Notice is issued the amount will be:

- £160 per parent per child paid within 28 days.

Third Offence and Any Further Offences (within 3 rolling years)

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrates Court.

Curriculum news

Learning across our year groups this half term

This half term, F1 and F2 have been learning about 'People who help us. They have focused on a different profession/member of our community who help could help us all.

The children have learnt all about dentists, builders, post office workers and of course firefighters.

F1 were very lucky and had a visit from a real fire engine! They listening to the sirens and had a go on the hosepipe!

EYFS

Curriculum news

Learning across our year groups this half term

FI visited Stonebridge Farm this half term. The children explored the farm, fed the animals and then made our own plant pot! This was FI's first trip, and they were fantastic even during a heatwave!

FI

Curriculum news

Learning across our year groups this half term

In Maths, F2 used paper 2D shapes to create new shapes. They explored folding and cutting the shapes to create smaller shapes within a shape.

As part of refugee week, the children read a book called 'The Bicycle' to support their learning.

After reading and discussing the story, they have all had a go at drawing a bicycle to go along with the theme of the book.

Culture Day in F2

F2

Curriculum news

Learning across our year groups this half term

In Maths, F2 were learning about the arrangements of 2d shapes, using positional language. We practised using the vocabulary- above, below, in between and next to.

In Phonics, F2 have been identifying tricky words and digraphs in our sentences.

The children also got to take part in Culture Day and a Rocksteady Music assembly!

Curriculum news

Learning across our year groups this half term

Year 1

This half term, the children have become ocean protectors! They have been learning about the animals in the oceans and how they are being affected by pollution, overfishing and global warming. The children received a letter from Greenpeace setting them a challenge of making a campaign video about saving the seas!

Curriculum news

Learning across our year groups this half term

Year 1

The children have also been learning about David Attenborough and all of his amazing work. They then made their own story books about him.

They also enjoyed learning about the coral reefs and used objects in the classroom to make our own version!

We had an incredible trip to the Sealife centre too!

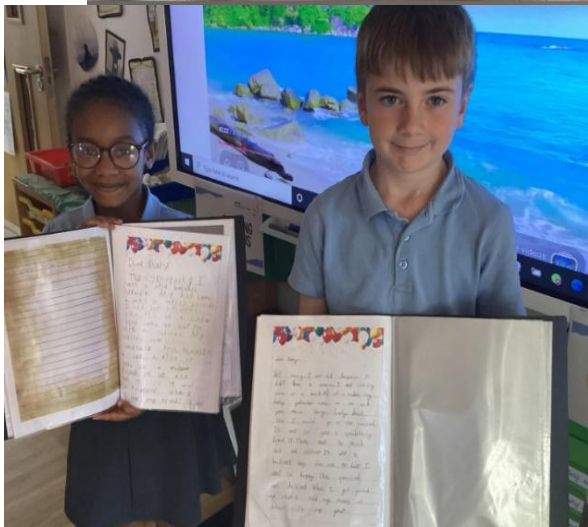

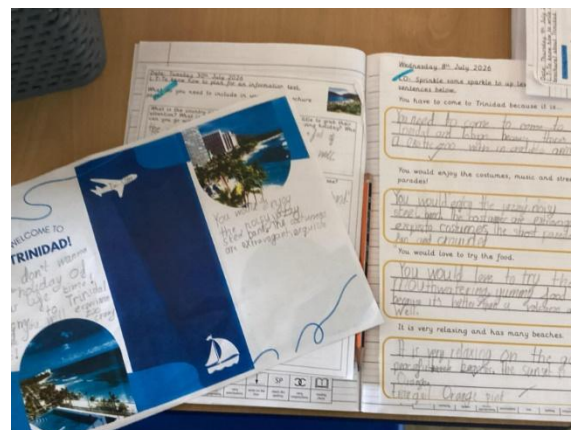

Curriculum news

Learning across our year groups this half term

Year 2

The children have had a busy half term learning about the Caribbean. The children took part in a steelpan workshop. They also created travel brochures about Trinidad and Tobago. In PSHE, the children learning about their futures and what responsibilities they need to take, and in Science, the children learnt about different habitats.

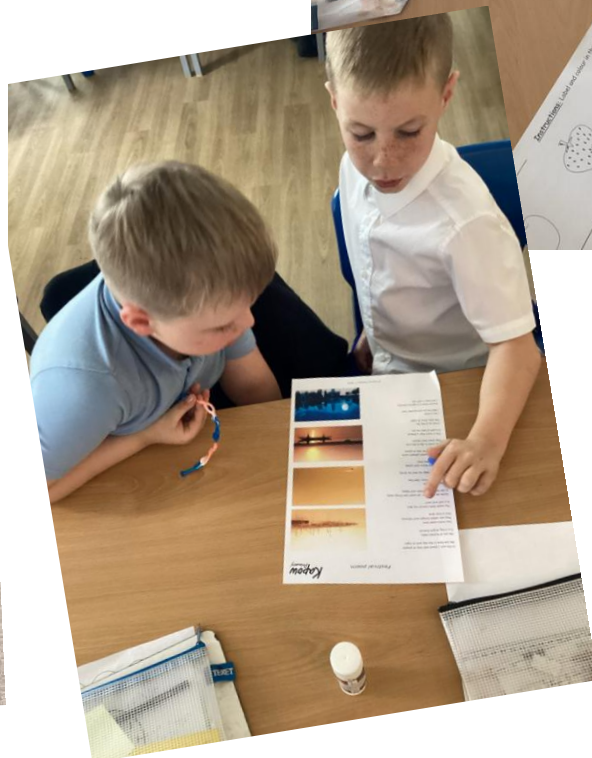

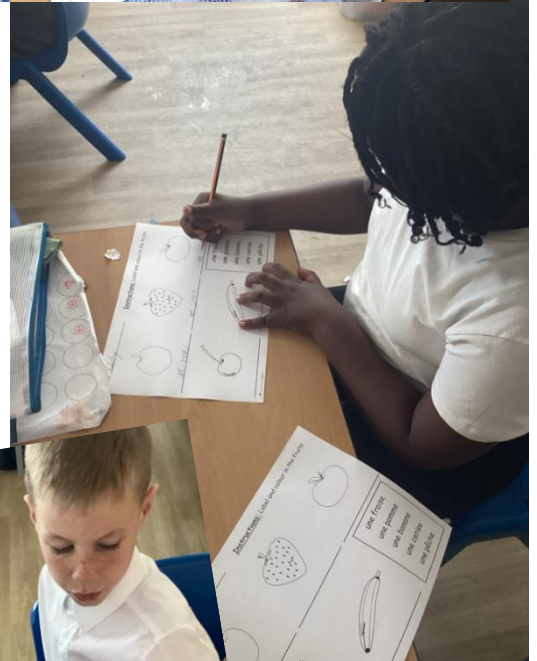

Curriculum news

Learning across our year groups this half term

Year 3

Year 3 have completed their learning about Ancient Egypt, and across the Summer term have learnt lots of information, including about different gods, Pharaohs, and mummification. The children have also completed the children's first year of learning French by learning all about how to say different fruits, and if we like or dislike them. The children have also developed their understanding of the wider world through RE this half term, by exploring how fire and water have important representations in different religions, and how they are important in many different religious festivals. They have been exploring this through posters, poems and quotes from different religions. Finally, the children have been inspired by Wimbledon and have been building on our tennis skills during PE. The children have learnt forehand, backhand, and how to score points in a tennis match.

Curriculum news

Learning across our year groups this half term

Year 4

Children learnt how to play tennis across this half term. They built up to playing games of doubles.

In History, the children loved learning all about Poland. They especially enjoyed tasting Polish foods.

Curriculum news

Learning across our year groups this half term

The children had amazing time on their Staycation Day. Highlights were a trip to Bestwood Country Park and making s'mores in the evening.

Year 4

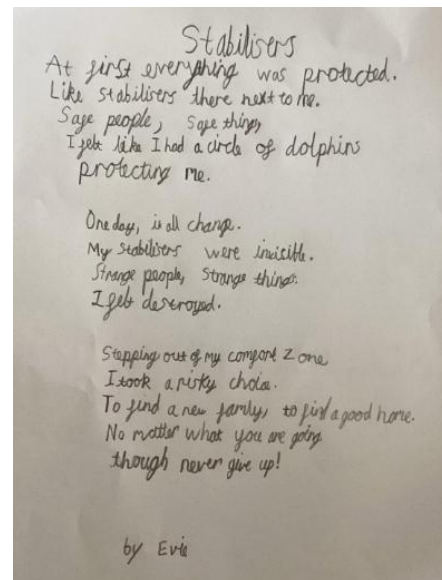

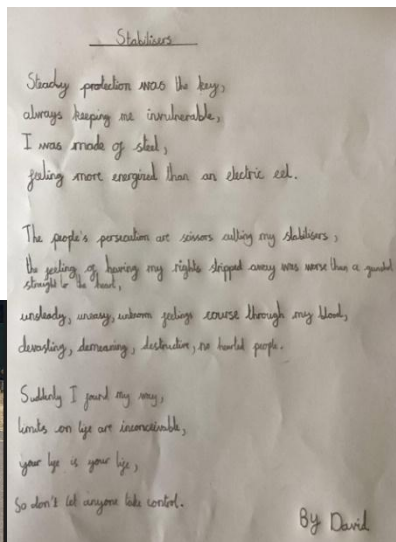

Curriculum news

Learning across our year groups this half term

Year 5

In PE, Year 5 have continued to develop their defending skills in netball, practising powerful spring jumps to intercept the ball, whilst ensuring no contact is made with other players. The children have enjoyed a fabulous explorer day to kick start our learning on Rainforests. They created bar charts to represent animals that live in the different layers of the rainforest.

The children also shared their learning on rainforests to our parents and carers which encouraged others to think about living sustainably and purchasing free trade products!

The children also wrote wonderful poems for refugee week! They thought about stabilisers being our comfort blanket and what would happen if that was removed.

Curriculum news

Learning across our year groups this half term

In their final half term at Warren Academy Year 6 have been super busy! We have been working hard to increase our understanding of the USA alongside learning about why there is suffering in the world in RE and developing our knowledge of being healthy and relationships in PSHE. We have spent time creating freeze frames and stress cubes to help us when we are feeling worried or anxious.

The children were also able to enjoy an amazing sports morning which was delivered by students from Oakwood where they were able to try tag rugby and golf football amongst a number of other sports. This inspired Year 6 to plan and deliver 3 amazing sports days for the children at Warren. The children

have also been working hard rehearsing and performing our play Hansel and Gretel. The determination that children have shown to learn their lines and songs and the energy they have put into performing have been truly outstanding! Year 6 were also a superb help at the Summer Fayre taking on their roles running stalls very seriously.

Year 6

Curriculum news

Learning across our year groups this half term

The children have also been working on our teamwork and thrived during a challenge to build the biggest tower to support an egg.

Year 6

Curriculum news

Learning across our year groups this half term

The Burrow

The Burrow have had a very exciting half term; we've had a fun sports day. The children have taken part in Balance fun sessions learning how to balance and glide on bikes. The children also had an amazing time at their staycation, watching movies eating snacks and playing.
