NEWSLETTER

4th December 2020

Christmas is quickly approaching and we are gearing up to celebrate Christmas in school. We will be decorating our Christmas tree on Monday and we would like the children to bring a small decoration to place on the tree. This will of course be done following the usual social distancing protocols.

The children can bring Christmas cards into school from next week. We ask that they write cards only for the children in their class.

A step back in time

The children in Year 2 spent a fantastic day in their Victorian classroom yesterday. They all enjoyed experiencing what school would have been like as a Victorian child. Miss Evans was very strict, but I'm pleased to say that Mrs Rankin is back today.

Midday Supervisor

We currently have a vacancy for a Midday Supervisor in school. If you or anyone you know are interested in the role please contact the office.

COVID-19 Guidance

As you aware we have put systems in place to enable parents and carers to drop off and collect their children safely, following the Governments social distancing guidance. When you are collecting or dropping children off, please do not congregate around the gates as this makes it difficult for other people to pass by. Please also avoid gathering on the pavements and park paths before and after you have collected the children; this makes it difficult for other people to pass by safely. The Government guidance continues to be that we should remain at least two metres apart from other people.

We appreciate your support and cooperation in helping us all to stay safe.
