18th September 2020

It has been another great week at Warren and the children have been displaying fantastic learning behaviours. Many children are already starting to show Bronze learning behaviours and it won't be long before we see our first BRONZE LEARNERS for this year.

Local residents

Could we please ask that you show consideration for the local residents at the beginning and the end of the day. Please avoid parking right outside houses and driveways and do not park in the no parking area outside school.

INSET days

Just a reminder that the INSET Day planned for 16th October was moved to earlier this month, so children will be in school as normal now on this day.

Reminders

Water bottles must be filled with water only – please do not send juice into school.

Children are unable to bring pencil cases and bags into school for the time being. They should bring a small PE bag and their packed lunch box.

Children may bring a healthy snack for break time.

Drop off and collection

Thank you for your support and cooperation at the start and the end of the day. Please aim to collect your children as close to the allocated time as possible. This will help us to avoid long queues and people gathering outside school.
