Dear Parents

I hope that you and your families are all well.

You will no doubt have seen the Prime Minister's address to the nation yesterday and I am sure that you have many questions regarding children returning to school. Because schools do not have any prior notice of the announcement I am unable to fully answer questions at the moment. We are awaiting further information from the Government which will hopefully provide greater clarity and timescales as to how things might change over the coming weeks.

In the short term, there will be no changes to how we have been operating. We will continue to provide childcare for the children of key workers as well as providing home learning for all children through our online learning platform Seesaw.

Once we have further details, we will let you know how the changes will affect the children and families at Warren. At all times the safety of the pupils and staff will be our priority and will drive our decision making and plans.

Thank you for your continued support at this time.

Take care and stay safe.

Yours sincerely

Mr Paul Tibble
Head Teacher
