

Maths

Convert between pounds and pence (and vice versa) to solve these problems.

- How much money is in each purse?

There is ____ pence.
There is ____ pounds.
There is £____ and ____ p
There is £_____

There is ____ pence.
There is ____ pounds.
There is £____ and ____ p
There is £_____

- Complete the part-whole models to show how many pounds and pence there are.

- Convert these amounts to pounds and pence:

357 p

307 p

57 p

370 p

Some children are converting 1206 p into pounds.

Who is correct?

1206 p = £12.6

Whitney

1206 p = £12.06

Rosie

1206 p = £120.6

Teddy

What have the others done wrong?

Writing

Mega City

Our TV ad tells the story of busker Jack and his furry companion, Harry. We travel with the struggling pair as they try desperately to bring joy and happiness to their cold, dark world. Littered with looming skyscrapers and devoid of nature, the pair struggle to break through to the busybodies caught up in the rush of city life.

Jack desires one thing more than anything in life – to escape to the countryside. Using this desire to push himself forwards, he buses through the harsh days and weary nights; slowly but surely, day after day, saving up the money he needs to buy a motorbike, to get his canine companion out of the city.

Eventually, with enough fight and dedication, Jack scrapes every last penny together and sets out to ride away into the sunset. But not all is as it seems – even though Jack put everything into buying the motorbike, he realised that wasn't important. As long as Harry is back

Watch the video:

After you have watched the video have a go at two writing tasks:

1. Retell the story in the 1st person either as Jack or his dog Harry.
2. Describe the city and the countryside using specific language to create a mood/atmosphere.

in the countryside, by any means possible, and back with nature, that's the best thing he can do for his closest friend.

Wider curriculum

PE – How many famous sports people can you name? Choose a sports person and research online about them. Can you find out how and when they started their career, or any other interesting facts about them? Create a timeline that details all of the achievements of your sporting hero.

Science – Think about what you already know about space and create a mind map. Can you name the planets in our solar system? Can you remember them in order or create your own mnemonic/way to help you? Research the characteristics of the planets - e.g. What is it made of? What size is it? How close to the Sun is it? Temperature? Can you create a fact file, PowerPoint or Google Slide presentation on a planet of your choice? These facts about Mars may be a good starting point if you wanted to research that planet. <https://www.natgeokids.com/uk/discover/science/space/facts-about-mars/>

Spelling

Practice these words from the year 3 and 4 spelling list using the different strategies from school (e.g. pyramid words or look, cover, write and check). At the end of the week ask an adult to test you on them to see how many you get right.

1. Reign
2. Famous
3. Favourite
4. Certain
5. Regular
6. Weight
