Year 6 'Last Day' invitation

14th July 2020

Dear Parents/Carers,

We would like to invite all of our year six children into school on Thursday 23rd July. They will spend the day, in three separate groups (with the current social distancing guidelines adhered to) taking part in fun activities to celebrate the end of their primary school journey. All three groups of children will all be able to have a delicious lunch of take away pizza outside (weather permitting) at the same time, so they will be able to talk to their friends (from a distance) in the other two groups (if the weather is poor, the children will have pizzas in their three groups, inside).

The children do not need to wear school uniform on this day. They will need to bring in a water bottle (or two) as due to the current situation they will not be allowed to refill their water bottle at school and they will not be allowed to use any cups (this is standard procedure for the children currently in school at the moment).

Unfortunately, due to COVID-19, the children cannot bring in shirts or autograph books to be signed by others but hopefully their t-shirts and hoodies will arrive very soon.

Please can you text or call the office to let them know if your child will or will not be attending school on Thursday 23rd July **by the end of the school day on Monday 20th July.**

The leavers assembly video is in the process of being made. A link to this will be sent out at some point on Thursday 23rd July via text and via Class Dojo. We are going to watch it, as a staff team, after school at 3:45 and would like you to watch it at home, at the same time, if you are free and if you would like to comment under the link of class Dojo as you watch it, please feel free. It is a real shame that we cannot have a typical leavers assembly where we all watch it together so this will be the next best thing!

Yours faithfully

Mrs Walsh
Class 6 Teacher
