

NEWSLETTER

5th March 2021

We are really looking forward to welcoming back all of our children next week. During the last two months the children have been a shining example to us all of how to deal with challenges, and like us, we are sure that you are very proud of them.

Return to School

All of the children will return to school on Monday 8th March. Details of the arrangements in place were sent out earlier this week and are also available on the school website.

School Values

Throughout the lockdown the children working in school and at home have demonstrated the school values through their attitudes and actions. Next week we will be reminding the children of what it takes to become a Bronze, Silver or Gold learner at Warren. All of the team will be looking to see the children demonstrating the school values in all that they do.

COVID guidance

We ask that you continue to help us protect our children, families, staff and the wider community by following the Government guidance. Please remember that the current guidance states 'It is against the law to meet socially with family or friends unless they are part of your household support bubble'. We recognise that it is challenging for both children and adults to follow this, however, we ask that you continue to follow this guidance and do not mix with families outside your own household.

World Book Day

In Nursery this half term we have been looking at mini beasts and have had a fantastic time making our very own wormeries. We have been taking special care of them as two of our worms have had babies! Well done Nursery for being so kind and caring. Keep up the good work!
