# NEWSLETTER

9th July 2021

It's been a very busy week at Warren. Our team of librarians began their induction this week so that they are ready to start in September. The kitchen team have recruited a team of lunchtime leaders who will take responsibility for tasks in the dining room. Well done to the nine children from Year 4 and 5 who were appointed.

## Sports Day

It was fantastic to see the children demonstrating all of the school values as they took part in their sports days this week. They all showed great determination and amazing support for each other as they competed in the events.

## Thank you

Thank you for your kind donations today. The children looked great as they showed their support for the England football team. We will confirm how much we have raised when we have counted all of your donations—this money will be split between the following charities:

F1 & Y1 Stonebridge City Farm

Y2 Dogs Trust

Y3 & Y4 One Paw at a Time

Y6 Cancer Research

## Meet the teacher

The children will meet their new teacher next week for a transition afternoon. Unfortunately, this won't be possible for the current F2 and Year 5 children, their transition will take place the following week.

Details of staffing for next year will be sent to parents next week.

## COVID

We have had to close a number of class bubbles over the past two weeks. We ask that you please ensure you are continuing to follow the Government Guidance around social distancing. In and around school, please continue to follow the one way system on the paths and avoid gathering in large numbers.
