

## A message from our Headteachers

We've been busy reflecting on our term this week, through many trips and exciting opportunities to display our learning. Our curriculum has been designed to provide endless opportunity, endless potential for all of our Warren pupils.

The showcases of learning that parents and carers were invited to this week were examples of how we want Warren pupils to be passionate about the learning. We also want children to feel represented in their learning and as a part of our Warren Community.

Children in Year 3 led an Art exhibition for parents and carers on Thursday afternoon. Children demonstrated their artist flare and their presentation skills, becoming tour guides of the exhibition. They also asked parents and carers to taste test their sandwiches which have been created for their DT project this half term.

In Year 4, children held a showcase of learning about Poland. Children in Year 4 also represented their learning at our church visit on Thursday. They spoke to the school and parents and carers about Polish Easter traditions and shared their learning so confidently!

We are also very excited to share that we will be starting the National School Breakfast Programme in the Summer term.

The programme supports schools in England to provide pupils with a healthy breakfast at the start of the school day. Evidence has shown that pupils benefit from having a healthy, nutritious breakfast each morning to enable them to access learning. We believe that this will support pupils at Warren to have the best start to their day and be ready for their learning.

We will be running the programme with access to Classroom Bagels. This will mean that children will be able to place an order at the start of the term for a bagel and they will then get one every day in the morning for that term. We will be starting this at some point during the first week back after Easter.

It has been a fantastic term and the children are ready for a well-earned break. We look forward to welcoming the children back into school on Monday 17<sup>th</sup> April.

Wishing you a fantastic Easter break!

Thank you

Mrs Salam and Mr Middleton.
