

## A message from our Headteachers

This week in school, we have been learning about Refugee Week. The theme of this year's Refugee Week is 'Compassion'. On Monday, we learnt about refugees and why people become refugees in our whole school assembly. Throughout the week, each key stage has then studied a book about Refugees. We have shared links to each of the books below, so you are able to continue sharing these stories with your children at home!

**F1:** Nathan and Harry for good development in reading CVC words.

**F2:** Fatima for excellent effort in Phonics & Oliver W-F for effective communication when sharing his ideas.

**Y1:** Alore for being an outstanding role model and helping others & Aiarna for putting her hand up to share some great ideas about saving the seas!

**Y2:** Lexy for a huge improvement in presentation & Rini for being a telling the time expert!

**Y3:** Lexi for writing amazing sentences in our Refugee work & Eliyah for showing amazing learning behaviours in the classroom.

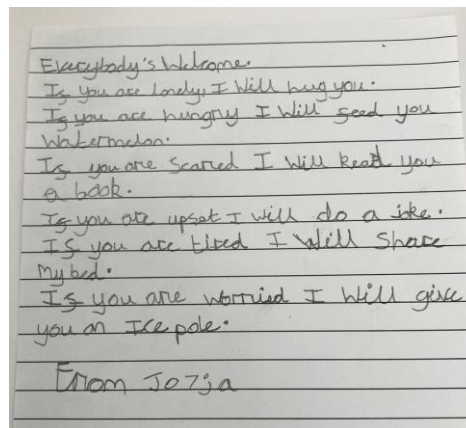

**Y4:** Julia for exceptional fact file on Hestia, the Greek Goddess & Oscar for a consistently good attitude to learning, improving since the start of the year.

**Y5:** Abiraami for consistently being a role model to others & Freya for always being respectful and always working incredibly hard.

**Y6:** Galyna for really developing her confidence in speaking in front of the class & Cartier for an amazing effort when practicing songs for our production.

After reading these texts and considering how the children can show compassion to refugees, pupils across school have created poems to convey their thoughts and feelings. The writing they have produced is amazing!

## Football

A huge well done to our Year 5/6 football team who played in a friendly against Rise Park Primary on Thursday. They battled through a torrential downpour and won the match 3-2! Thank you to Mr Eddyshaw who refereed and coached the game at the same time!

## Common transition day for Y6

Due to the National Teacher Strikes, the City Council have now moved these days to the 11<sup>th</sup>/12<sup>th</sup> July, which are the dates for the Y5/6 residential. However, many schools are now offering the transition days on different days, due to strike action. We are writing to Y6 parents to inform you of new dates for transition – this will be coming out to you next week.

## National Teacher Strike Action

A letter has been sent home to parents and carers today to share that there is National Teacher Strike Action taking place on Wednesday 5<sup>th</sup> July and Friday 7<sup>th</sup> July. Please ensure you read this letter to know about implications there may be to school on these days. There are also a number of dates that have now been changed due to these strikes happening.

## Sports Day

Here is a reminder of the arrangements for Sports Day:

The rescheduled Warren Sports Day will take place on **Tuesday 27<sup>th</sup> June** on the school field! There will be a series of different field and track events for all year groups to take part in during the day. Year 6 will be leading the events, and supporting the children to take part in each of the activities.

Parents and carers are welcomed to join us on the day:

- EYFS & Key Stage 1: 9.30-11.30am
- Key Stage 2: 1.30-3.15pm

The children will begin by completing a series of field events such as javelin and welly wanging, and then move over to take part in different types of races, as a part of their class 'team'. Prizes and awards for individual effort and winning classes will be given out in celebration assembly on **Friday 30<sup>th</sup> June**.

There will also be a parent/carer race taking place at the end of each session, so please bring your trainers if you wish to take part! Please bring your own camping chairs/picnic blankets with you if you wish to sit down during the event.

Children need to come in their PE Kit to school, ready to take part in the day. A reminder that PE kit is a white t-shirt, blue/black shorts, trainers or plimsolls and a blue jumper if needed. There should be no football shirts worn as PE kit.

## Eid Mubarak

We wanted to wish any parents, carers, or families in our school community Eid Mubarak, ahead of the celebration of Eid Ul Adha next Wednesday. We will be having a special themed meal for lunch on this day in school.

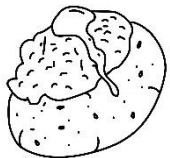

## Place2Talk following the incident in the City

A huge thank you to Keren, our school Place2Be councillor, who provided special Place2Talk sessions for children across Year 1-Year 6 on Thursday. This was an opportunity for children who were worried or scared following the incident that happened in Nottingham City Centre last week. All children who had requested to talk have been able to do this. If you continue to be concerned or worried about your child, please speak to the class teacher.

### Visit for Foundation

Children in F1 and F2 had a visit from a refuse lorry at school today. This is linked to their current topic which is all about transport. The children got to explore the lorry to understand all of its different functions, and even got to keep the horn!

### Reading rewards

Lots of children across school have been busy reading and are achieving their 50 reads, to get a token for the reading vending machine!

Oliver in F2 reached his 50 reads last week and chose this special book to read at home.
