

A message from our Headteachers

There is so much to celebrate across school this week – our school motto of Limitless Opportunity, Endless Potential has been truly lived out!

Results for the end of Key Stage 2 statutory tests have been released this week and we are incredibly proud of what our Year 6 pupils have been able to achieve:

Reading	70%
Writing	77%
Maths	77%
Grammar, punctuation and spelling	73%
Combined (reading, writing and maths)	67%

The national combined standard for 2023 is 59% **demonstrating we have achieved higher than national expectation results**. In addition, the combined standard for Warren has **increased by 20%** from the last academic year. These results are a true testament to the hard work of the staff team, pupils and parents/carers who have supported the children this year. Thank you!

Children in Year 5 and 6 visited Walesby Forest for a 2 night residential earlier this week. The children got to take part in a range of exciting and new activities such as kayaking, laser tag and rock climbing, and experienced camping in the great outdoors!

Some pupils in Year 5 also visited the University Technical College in Derby on Tuesday, to share their learning from a DT project they have been working on with Mrs Rankin! The children had to test trains they had built from scratch and compete against other schools who had also completed the project.

All of the children represented Warren exceptionally across the visits that have taken place this week.

We also wanted to celebrate Miss Pithers' achievements this week. She has been successful in becoming a 'Leader of Excellence' for L.E.A.D Academy Trust and will be supporting other leaders in school across Nottingham! We continue to be extremely proud of the pupils and staff across school!

Finally, we are pleased to share with you information about class teachers for next academic year. Please find more information below.

Thank you,

Mrs Salam and Mr Middleton

When we grow up week

Mrs Salam is planning a week themed around careers and aspirations for the autumn term.

‘When we grow up’ week will be an opportunity for children to learn more about different types of jobs and careers they may want to do when they are older.

If you are interested in helping or supporting, please speak to Mrs Salam. We are looking for people from the whole community to come in and talk about their jobs or work!

Transition mornings

Next week, the children will be taking part in two transition mornings, where they will be meeting their new class teacher, visiting their new classroom and completing some activities ahead of moving into their new year groups in September. We are pleased to share the class teachers for next year below:

F1	Mrs Ford
F2	Mrs Sultana
Y1	Mrs Rankin
Y2	Miss Pithers
Y3	Miss Tobin
Y4	Mr Dunnington

Our teaching assistants will be deployed across school to best support the needs of the children during these mornings.

The children will visit their new classes on the mornings of Tuesday 18th and Wednesday 19th July.

After school on Wednesday 19th July, each class teacher will be hosting a ‘meet the teacher’ event. This will be held in your child’s new classroom and the teacher will share with you information about them, the next academic year and key things that are important for you to know. It is also an opportunity for you to ask any questions you may have.

For children joining F1 in September, Mrs Ford is running a parent/carers meeting in school on Wednesday 19th at 9.30am.

We look forward to seeing you on Wednesday!

What we've been up to this week!

We have received a donation of £500 from Lovell Housing! They presented us with a giant cheque this week which we were very excited about! We hope to spend the donation on scooter storage to promote healthier ways of travelling to school!

Alyssa and Kimberley in F2 have reached 50 reads this week and have chosen a new book from the Reading Vending Machine!

Children in Y5/6 visited Walesby Forest for a residential filled with exciting outdoor activities!

Natalia has been a super star reader, and has managed to read a staggering 500,000 words this academic year so far! Well done Natalia – such an impressive achievement and shows how hard working you are!

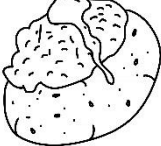

Year 1 dressed as explorers and learnt all about Sir David Attenborough on Thursday! They then created their own Little People Big Dreams book to represent their learning.

Children in Y5 visited UTC Derby to test out trains they had made as a part of a DT project with the Primary Engineer programme! They had to test their vehicles to see if they travelled in a straight line or could carry a load. Our trains carried the heaviest load for the longest distance!
