

Tribal Tales

English

We will be creating: a comic strip, a persuasive speech and a non chronological report.

Maths

We will be looking at non-chronological reports.

History—

We are exploring people lived in the stone age and where the stone age is on a timeline.

Geography- We will be focusing on Stone Henge and where it is located.

Computing

We will be looking at coding and exploring how we can use this to create things.

What was life like in prehistoric Britain?

Science— Forces

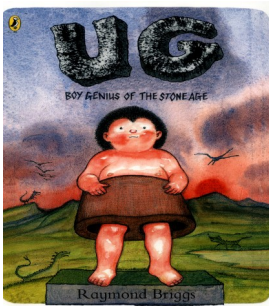

We are learning about how forces make things move and experimenting to see what forces make cars move.

Design Technology -

What can I make using natural resources, that would of existed in the stone age times?

Music—Ballads

In music we will be exploring ballads and how these are performed.

French—

We are going to be introducing French. We will be focusing on where French is spoken around the world.

PSHE

We will be looking at why we are special and what makes us who we are.

PE-

In PE we will be looking at the skills we can use to do different athletic activities

RE: Sikhism-

Would celebrating Diwali at home and in the community bring a feeling of belonging to a Hindu

Discreet subjects;
