Update on Christmas events

A huge thank you to everyone who joined us for our Christmas Fayre on Wednesday. The PTA raised £408 in total which will go towards school fund.

We are also incredibly proud of Year 6 who were fantastic at leading the stalls, and the choir who performed a stunning rendition of songs.

Some members of the choir also represented Warren at Christmas in the City at St Mary's Church on Tuesday. The children sung 3 songs as a part of an ensemble of songs, where the music was played live by the Youth Orchestra. We are incredible proud of how brilliant the children sung and represented the school!

This week's career is: Quantity Surveyor

A quantity surveyor is someone who keeps track of the cost of building projects. To be a quantity surveyor, you need to enjoy working outdoors and also like problem solving. You will work to help plan building projects and ensure that finances and money are spent wisely and that the project stays within budget.

You will need to have GCSEs in English, Maths and Science, as well as A-level qualifications.

Routes into the industry: You will need to study at university, for a degree to become a quantity surveyor. You may work as an apprentice quantity surveyor whilst you are completing your training.

Fundraising for School

Turn your Christmas shopping into everyday magic for us with 'easyfundraising'.

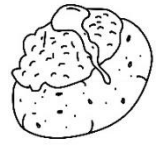

If you regularly shop with brands online you can have them donate money to school each and every time you shop, and the best part is – it won't cost you any extra!

How it works...

Brands pay us a commission because when you start your shop from the 'easyfundraising' website or app, they can see that we sent you to them. If you make a purchase, a commission is generated, and we turn that into a donation – magic!
