

FI Curriculum Newsletter: FI Spring 2

Dear Parents/Carers,

Welcome back! We hope you had a good half term break. What a very successful start to the year we have had. Our new foundation 1 children have settled in very well and we look forward to being part of their continued learning journey.

Animals

This half term's theme 'Animals' will see us learning about different animals. We will be focusing specifically on pets, farm and zoo animals.

Our special stories this half term are 'Monkey and Me' by Emily Gravett - about a mischievous little girl and her toy monkey, and Brown Bear, Brown Bear by Eric Carle.

This half term we have also planned opportunities for children to get hands on with animals, including witnessing eggs hatch. Last year we cared for ducklings, this year our feathery friends are of a different variety. Can you guess which?

How can you help?

Weather

Although we have our fingers crossed for sunny weather, we will be outside whatever the weather so please ensure your child has the correct clothing. This includes a coat (weather changes quickly so this needs to be at school every day).

Play equipment

Due to health and safety, could we please ask that your children do not play on the outdoor equipment before and after school. Thank you
