

# FI Curriculum Newsletter: Summer 1

Dear Parents/Carers,

Welcome back! We hope you have had a fantastic Spring break and are well rested to start an amazing new term! This term we will be welcoming six new children to our Nursery.

## Go Outside

This half term's theme 'Go Outside' will see us learning about gardening and growing as well as life cycles and global warming. We have a jam packed half term planned with lots of fun and exciting activities including 'Bring a plant to school day', cooking a healthy nutritious meal with vegetables we have grown ourselves as well as creating our very own butterfly garden.

Our special stories this half term are 'Stanley's Stick' by John Hegley, and Jasper's Beanstalk by Nick Butterworth and Mick Inkpen.

## How can you help?

### Weather

We do a lot of outdoor learning come rain or shine, so please ensure your child has the correct clothing. This includes a coat (weather changes quickly so this needs to be at school every day), a sun hat, water bottle and sun cream.

### Play equipment

Due to health and safety, could we please ask that your children do not play on the outdoor equipment before and after school. Thank you

## Dates for your diary.

Friday 19th April	PTA Coffee Morning, all parents and carers welcome
Friday 17th May	FI and the Burrow visit to Stonebridge City Farm
Monday 6th May	May Bank Holiday
Friday 24th May	Break up for half term
Monday 3rd June	Back to school- Summer 2
Monday 1st July	Sports Day

It is important that your child is in school every day! Children can come to school with a cough or cold!

Please limit screen time at bedtime, reading a bed time story is best!

Watch out for Pandi, our class mascot who will be paying you a visit this half term! Please return him to school the following day. Thank you Miss Bibi
