Attendance matters

A message from Mrs Neat – our attendance officer

Attendance is an area we are continuing to improve upon across the school and we are seeing the efforts that parents and carers are going to, to ensure that children are in school every day. We wanted to say thank you to you for this, and ask that you continue to maintain this in the summer term, to ensure the best possible progress for your child at school.

If you need any help or support, please get in touch with us. We are here to help.

Attendance matters

Attendance processes if your child is absent from school

- All parents and carers are expected to notify school if your child is unable to attend and give reason as to why they are absent.

If your child's attendance is above 90%

- If we do not receive communication from you, a text message will be sent to find out why your child is absent.
- If your child is well enough to attend in the afternoon, we encourage you to bring your child in, as they will receive an attendance mark for the afternoon session.
- We expect for you to continue to communicate with school on a daily basis if your child continues to be absent from school.
- If we do not receive communication from you, a house visit will be completed.

If your child's attendance is below 90% - persistently absent

- If we do not receive communication from you, school will phone you by 9.30am to find out why your child is absent.
- Medical evidence, if your child is absent from school as they are unwell, will be requested from you.
- If medical evidence is not provided to school for your child's absence, we will complete a house visit to discuss your child's absence with you.
- If 3 home visits are made in a term, school will need to consider whether a referral to social services is required due to educational neglect.

Lateness and unauthorised absence

- There has been a significant increase in the number of children that are arriving late to school.
- All children should arrive at school by 8.50am.
- If your child arrives past 9.30am, their attendance for the morning session will be classed as unauthorised, and this will negatively impact their attendance.
- You can receive a fine from the local authority for continued lateness past 9.30am, as this is considered to be unauthorised absence from school.
