

Rivers and Mountains

English

Non-chronological report
Setting description
Retelling a story of river's journey

Maths

Perimeter
Fractions

RE

Why is the bible the bestselling book of all time

The children will see how Christianity spread across the world. They will look at the different types of writing within the bible and when it was written.

Computing

Effective Searching—We will be looking at how to search effectively on the internet, using buzzwords rather than full sentences, and how to search engines to their maximum potential.

Music

Instrumental music lessons with Mr Stanton

Are mountains and rivers useful to us?

Science

States of matter— We will be learning about solids, liquids and gases and how their matter behaves.

Art

Realism—We will be looking at how to show realism in our drawings to create a final piece in the style of Giorgio Morandi.

Geography

We will be learning all about rivers and mountains. We will learn where mountains and rivers are located, how they're formed and water security.

PSHE

Relationships

We will be learning about how friendships change, dealing with difficult emotions and understanding how relationships may be formed.

PE

Athletics
We will be developing our athletic skills in our P.E. lessons.

French

We will be learning how to say different types of food and drinks in French.

Discreet subjects;
